

Looking for a bright future? We know where to find it.

Our Family Medicine practice in Western Wisconsin offers beautiful benefits.

Everything you want and need is here.

As you contemplate your future, consider the great Family Medicine opportunity available just outside the Twin Cities in New Richmond, Wisconsin. Benefits include:

- **A Complete Financial Package**

The salary starts at \$180,000 (\$200,000 with obstetrics) and includes incentives such as a \$25,000 signing bonus and a relocation package. Family health and malpractice insurance, a pension, and a 401(k) are additional perks.

- **An Well-Established, Growing Practice**

The practice is expanding to serve the growing population. Full specialty support is available through local specialists and a tertiary affiliation with HealthPartners – a Twin Cities integrated healthcare delivery system with more than 600 physicians.

- **A Relaxed Lifestyle with Exciting Opportunities**

With a 1:6 call coverage, you'll have time to use as you choose – perhaps hiking in the numerous state parks or exploring the amenities in nearby Minneapolis/St. Paul. Our physicians build rewarding, successful practices and enjoy off hours with their families in this smaller family-oriented Western Wisconsin community.

Find out more about the great career, financial & lifestyle benefits available here.
